WEF 2025 hotel badge – general information

Dear visitors,

Security measures are essential to ensure safety during the World Economic Forum 2025. This applies to the following security zones:

- Hotel AlpenGold
- Hotel Belvédère
- Hotel Hilton
- and specific infrastructure for Promenade 95 – 101

Authorized individuals may only access the above security zones and hotels with relevant vehicle stickers and/or badges.

To ensure you can gain access to the desired security zone at all times, you must apply for a badge through the relevant hotel mentioned above and, if authorized, a car sticker. The hotel will supply you with the order process for badges/car stickers and the documents required for the order on request. Please note that the (hotel) registration process before a badge can be issued (Akkreditierungsstelle der Polizei [Police accreditation body] badge issue) will take at least 48 hours. You should therefore factor in enough time for your stay in Davos. Early registration with the relevant hotel is strongly recommended. Hotel badges can **ONLY** be ordered through the above hotels. The police does **NOT** accept hotel badge orders.

For security reasons, we will only give you the badge **IN PERSON** and with a current digital photo, which will be issued on site. It is therefore essential that you attend the Akkreditierungsstelle der Polizei [Police accreditation body] in person. Only **VALID** identity documents (passport/ID card, work permits, etc.) are accepted by the accreditation body; these must be presented without being asked.

Important:
The hotel badges are valid for all security zones listed above and must only be applied for **ONCE** in writing.

Issuing badges:
Badges and car stickers are issued at the Akkreditierungsstelle der Polizei [Police accreditation body],
Bahnhofstrasse 3 (old post center), in 7270 Davos Platz.

Opening times:
